

LSAT REGISTRATION FORM

Please note: All international exams require a valid international passport, which serves as identification on the test day; an expired passport is not acceptable.

- ❖ To continue with this booking, you will need an International Passport Bio-data page of the test taker. As part of the booking process, you will be required to upload a clear scanned copy of your identification document. Please make sure your international passport is still valid and clear (not damaged) on the day of your test.
- ❖ Always double-check your information before submitting it to ensure that it is complete and correct.

<i>Do you have an existing exam Profile/ Account? If you do, please provide the correct Login Details; otherwise, please ignore.</i>
